

SIDE ONE - BEATRICE BLACKMON

INT. THE FARMACY - DAY - CIRCA 2002

POPPY (17) opens the door to The Farmacy. She turns over the closed sign and walks in.

BEATRICE (O.S.)

Poppppyyy!

BEATRICE (early '20s) runs up to POPPY and hugs her.

BEATRICE (V.O.)

What a nightmare the car ride here was.
So glad we've finally made it. Oh, how
are you Pops?

POPPY

Good! I thought you weren't coming till
the 15th?

Grandpa CHARLIE (80s) walks in behind with uncle AMIS (40s).

CHARLIE (V.O.)

Are we there yet?

BEATRICE

Grandpa. Grandpaaaaa? Charlie!! It's
Poppy!

CHARLIE

Who's popping corn?

BEATRICE

No, your granddaughter Poppy. Look,
she's right over there.

CHARLIE

Of course, I'll share! I've never liked
buttered as much as the kettled kind
anywho. OH, could you make me some of
that strawberry pie you do so well?

BEATRICE

She can't make you a pie right now.

Who? CHARLIE

Poppy. BEATRICE

Poppy?!? CHARLIE
