

SC 2- INT. SCHOOL HALLWAY/ENTRANCE MORNING

START

CALLIE opens the doors to her school and walks towards her locker. She's listening to music and we hear it from her POV. Just when her best friend, ISABELLA/BELLA (16-17 years old), JACIE (16-17 years old), and DEVIN (16-17 years old) run up to her excited. CALLIE pulls the headphones out and the music fades to nothing.

CALLIE
Whoah, hi guys!

BELLA
Did you see, did you see?

CALLIE
See what?

BELLA
Mr.Cooper picked the spring musical.
We're doing Bring It On!

JACIE
You have to audition.

DEVIN
You'd be a perfect Campbell.

CALLIE
Oh, that's great!

They can tell that CALLIE isn't feeling 100% and is slightly overwhelmed by this news.

BELLA
Sorry. I know that you're just getting back into things. I was just hoping that it would excite you enough to audition for this show.

CALLIE
It's really ok. I know not everybody's lives turned upside down like mine did.

CALLIE shuts her locker and they start walking together.

CALLIE

I don't know if I'm going to. What do you guys think?

DEVIN

Callie, it's up to you. I know you're going through a lot so it could be overwhelming.

JACIE

If you do decide to we'd all pitch in to help you in any way we can.

BELLA

Hey, you already know my answer. Obviously we want to do it all together but I don't want you to feel any sort of pressure. I think you should ask Nick and definitely pray about it too. Maybe it could be good for you to involve yourself in something that can create a community for you.

They stop and CALLIE takes in what BELLA is saying. She knows that BELLA is right. BEN wouldn't want her to just stop doing everything she loves.

BELLA

I love you, remember that. I'm always thinking about you.

DEVIN

Me and Jacie have to go turn these forms into the front desks.

JACI

We'll be back.

BELLA

I've gotta run to my locker really quick but I'll catch up with you.

END
