

SIDE ONE - FIELDING WHEATLEY

INT. KITCHEN - MORNING - CIRCA 2002

TILLY

Fields!! Where's Mr. Bussy?!

FIELDING (13) is gulping down a bowl of cereal.

FIELDING

Uhhh...It's by the sta-

POPPY (17) as she's coming down the last few steps, trips on a stuffed animal.

TILLY (O.S.)

Never mind, found him!!

POPPY

Fielding, if you know that there's an item on the steps just waiting to trip someone or in any place that could be potentially hazardous, a warning would be nice first.

FIELDING

It's not my fault Tilly leaves her clutter all over the place.

TILLY

Hey! I don't leave clutter all over the place.

FIELDING

Uhh yeah, ya do.

TILLY

I do not!!

Fielding rolls his eyes. Tilly sticks her tongue out at him so he does the same.

POPPY

Feilding! She's only eight!

FIELDING

I knowww, but that's no excuse to litter all over the place and then blame me for not cleaning up after her.

POPPY

She's not littering. That's not even what littering means.

FIELDING

Well, it feels like littering to me!

Fielding continues to slurp down his cereal. MR.WHEATLEY (dad, 40s) walks by the kitchen.

MR.WHEATLEY

Fielding where's the watering can?

FIELDING

LITTERING!

(To Poppy)

Poppy gives him a look. He sighs.

FIELDING

It's under the back porch steps on the left side of the pig statue.

MR.WHEATLEY

The pig statue!?! I thought that old thing disappeared years ago.
