

SC 1- INT. NIGHT CALLIE'S ROOM

START

CALLIE (17-18 years old) is laying on her bed reading a book and she picks up her phone when she gets a call. Her boyfriend is face-timing her.

NICK

Hey.

CALLIE

Hey.

NICK

How are you feeling? How was today...rough, better?

CALLIE

Um,

(BEAT)

I think better. I was just reading this book to kind of settle down before school tomorrow. I already feel so behind.

NICK

You have every right to be behind. I'm sure all your teachers will excuse everything. I'm really glad you're slowly coming back though. I missed seeing you. I still go to your locker between every class.

CALLIE

I know, I miss seeing you too.

SADIE (9-11 years old), CALLIE's little sister peeks in her room.

CALLIE

I'm just- hey Nick. Sadie's at my door. I've gotta go.

NICK

Ok! Love you.

CALLIE

Yeah love you too. Bye.

END SC 1

SC 2- INT. SCHOOL BUILDING DAY

START

Suddenly once the song ends, CALLIE is in front of NICK who's checking his phone until he sees her in front of him. BELLA says bye and smiles. CALLIE takes a deep breath.

CALLIE

Hi!

She gives NICK a huge hug.

NICK

Wow, hey! You seem in good spirits.

CALLIE

Yeah I am. I just keep taking deep breaths and reminding myself that I know it's not gonna be easy but God's got this. I'm gonna have a good day today.

NICK

Yeah, you are! I'm really proud of you.

(BEAT)

You want me to walk you to class?

CALLIE

I'd love that.

They hold hands and walk down the hall together talking. "See Me Through It" plays lightly in the background.

FADE TO BLACK.
